Privacy and Security Issues Panel

- **Health Care Policy Should Serve Three Principles:**
 - **Protection of Individuals**
 - **Physical and Mental Health**
 - **Privacy, Security**
 - **Quality of Care**
 - **Access to Care**

Legal Presumptions/Policy Implications

A Presumption is Not a Right.

It is How a Right is Exercised

**Health care is built on legal presumptions
that protect individuals and facilitate care
... or sometimes not.**

Privacy and Security Issues Panel

- **Legal Presumptions in Public Health**
 - » **Vaccination**
 - » **Organ Donation**
 - » **Fluoridation of Water**
- **Implications for Health Care**
 - Individuals should have the right to make decisions about their care without adversely impacting their friends, neighbors or the rest of society
